Heat Winner Ribbons: presents heat winner ribbon to winner of heat. Location: at finish end of pool. Check in with Meet Director.

Runner: Runner (Other) collects timing sheets from lanes and delivers them to computer desk, checks with officials on turn side of pool and delivers DQ slips to referee. Runner (Start) helps the Referee, delivers DQ slips from referee to computer desk. Location: all over deck, check in with Meet Director and Computer Desk.

Lane Checker: makes sure swimmers are lined up in the correct order for each of the two lanes assigned. Location: between lanes at start end of pool. Check in with Meet Director.

Deck control: makes sure traffic is flowing in 1 direction only, and that only athletes and coaches enter the competition area. Kiddie pool controls the number of athletes entering the pool area - not more than 1 event in advance. Bleachers (Start) make sure only athletes and coaches are in the start area, and Bleachers (Awards) makes sure only officials and pool staff are in the awards area. Location: at entrance to pool and near bleachers. Check in with Meet Director.

Results posting: takes the results from the computer desk and posts them on the outer wall. Also will post heat sheets for relays. Location: outside computer room. Check in with Computer desk.

Announcing: making all announcements to make meet run smoothly; 1st, 2nd, final call for each event, and other announcements as necessary. Location: next to kiddie pool. Check in with Meet Director.

Awards: labeling awards and sorting for teams. Location: on picnic tables just outside computer room, check in with Computer Desk.
